Part III.

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

DARREN W. ARK
PRIMARY EXAMINER

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner stated in claim 16, that he proposes deleting "for" in order to positively recite that the transverse support has the at least one rod receptacle. In regard to claims 21 and 30, Examiner proposed to rewrite that each station has a rod receptacle since the proposed After Final amendment could be interpreted that each station could have one or more receptacles which cannot occur since each station has only 1 receptacle. Applicant agreed. Please see Examiner's Amendment for details.
